COMMERCE BANK OF FOLSOM SELECTS MONEYPASS SURCHARGE FREE ATM NETWORK

Commerce Bank of Folsom has selected the MoneyPass ATM network to provide surcharge free access to its customers. MoneyPass is a national surcharge-free ATM network with nearly 12,000 ATMs from coast to coast and is a network that continues to grow.

“Since each and every MoneyPass ATM is surcharge-free, our customers won’t worry about paying a fee to access their money wherever they are located throughout the U.S.,” says David Redman, President and CEO of the Bank.

“In other words, regardless of where our customers live, work or travel, they are sure to find a MoneyPass ATM nearby. They just look for the MoneyPass logo and use their existing Commerce Bank of Folsom ATM or debit card. It’s that easy. This is all part of our commitment to providing our customers with superb products and services as their locally owned community bank.”

MoneyPass is a network of Elan Financial Services, one of the nation’s leading providers of complete outsourced solutions with a focus on payments and ATM and debit card processing for financial institutions, Independent Sales Organizations and retailers. MoneyPass provides nearly 12,000 surcharge-free ATMs across the United States, allowing cardholders of participating financial institutions to access their money where ever they are located. With 700 participating financial institutions, 21 participating Independent Service Organizations (ISOs) and more than 23 million active cards, MoneyPass is a rapidly growing surcharge-free network whose emphasis is on cost-efficient membership options, flexible terms and accessible locations.

Commerce Bank of Folsom serves the community of Folsom and surrounding areas from it’s office located at 1710 Prairie City Road. They opened for business in March of 2007. For more information on MoneyPass, including the
