## **Kathy Day Joins Commerce Bank of Folsom**

Commerce Bank of Folsom announced today that Kathy Day has joined the Bank as the new Assistant Vice President Business Development Officer. Kathy has over ten years banking experience, including 3 ½ years as Personal Banker with Citibank in Folsom. Her dedication to developing strong relationships with her customers makes Kathy a perfect fit for Commerce Bank of Folsom.

“Kathy is an experienced banker who is well known in the Folsom market and we are excited about having her join our team,” said David Redman, President and CEO. “She has a great understanding of what real relationship banking means for a community bank and its customers.”

Commerce Bank of Folsom is a locally owned community bank that opened its doors on March 19, 2007 to serve the financial needs of small businesses and professionals in the greater Folsom area market.
